Grade 4 Students Collect Old Cell Phones for Soldiers

Fourth graders Shealin Conroy, Isabella Briones, Layla Nutile and Tessa Molinari have found a way to merge passion with a practical need! As part of Genius Hour (where fourth graders personalize their learning as they research and work on an area of interest and passion), the girls decided to combine their strengths and focus on a project that helps soldiers stationed overseas. The students are collecting old cell phones that will be repurposed for use by service men and women stationed overseas so that they can call family and friends at home. Their goal is to collect 25 cell phones by Friday, April 7 – so far they have collected 19 cell phones! Please consider donating your old cell phones for this worthy cause! Phones can be dropped in the box located across from the main office. *Thank you for your support!*

HSA Auction Slated for Saturday, April 8 at Primavera

The bi-annual HSA Auction will be held this year on Saturday, April 8 from 6:30 – 11pm at Primavera in Millis, MA. This event, held every-other year, is the signature fundraiser event for the entire CFB community – auction items are donated by teachers, school staff, CFB families and the community at large. All proceeds from the auction revert back to the students of CFB and help in providing academic enrichment programming and also fund requests for educational programming from classroom teachers that are not able to be funded through the general school budget. The event includes a buffet dinner and entertainment; a cash bar is available.

- Auction booklets will be sent home this week (with the oldest child in the family) for ticketholders; the booklets serve as your ticket to the event, so be sure to bring your booklet!
- An addendum of auction items has been added with additional auction items – this list is available at the door
- As a reminder, raffle ticket winners must be present at the time the winner is chosen to collect the prize!
- In payment for auction items, checks are STRONGLY PREFERRED – *thank you!*
